

PROJECT MANAGER - WELLINGTON

- *Varied and challenging role*
- *Join a well-established respected organisation*
- *Business and financial acumen*

The organisation:

Miles Construction is a New Zealand company that designs, and project manages residential and commercial builds throughout New Zealand. The builds we are involved in range from small to multi-million-dollar projects. As an organisation we are passionate about evolving and learning new ways of building in New Zealand

Despite our diversity and business breadth we are small enough for each person to make a difference through our values – *we care, open communication, be 100% professional and totally committed. We make clients for life.*

About you – you will:

- Have a project management qualification and or a PMP certified Project Manager with a minimum of 3 years' experience in the construction industry
- Be a skilled leader
- Have business and financial acumen
- Have proven ability to deliver projects on time, and within client parameters
- Perform project reviews and status updates on a regular basis, keeping all stakeholders informed
- Have good knowledge in contract management
- Be competent in Microsoft Suite
- Have excellent communication and interpersonal skills
- Continually raise the bar, thinking and acting in the long term

Your new role involves:

- Promoting cooperation and commitment within the team to achieve goals and deliverables
- Establishing and maintaining effective working relationships with all project partners and stakeholders
- Engaging with the Quantity Surveyor to set up project budgets and control the budget for the project duration
- Performing project reviews and status updates on a regular basis, keeping all stakeholders informed
- Understanding plans and a working knowledge of NZ Building Codes NZ 3910 / NZ 3915
- Ensuring all health and safety and ensuring construction standards and schedules are in accordance with Miles Construction quality management principles

We can offer:

- A competitive remuneration package
- The opportunity to be part of a very progressive and successful organisation
- A great team environment, working on exciting and diverse projects

This is an excellent opportunity for a passionate and ambitious construction professional to join the Miles team. If this sounds just what you have been looking for and are prepared to do whatever it takes to succeed and be up for the challenge, then we invite you to apply online.
